

SEEKING RESEARCH VOLUNTEERS!

WE ARE LOOKING FOR PEOPLE WHO:

- Are 18 or older,
- Have a schizophrenia-spectrum, major depression, bipolar I, or bipolar II diagnosis,
- And are living in the community.

Participants in the study would be asked to complete a one-time face-to-face interview focused on stigma, attention, memory, and the factors that affect community participation that will take around two hours to complete.

Participants will receive \$30 upon completing the interview for their time and effort.
