

Engaging Parents; Increasing Connections with Children

You may be compensated up to
\$60 in gift cards for your time

Are you a parent with a mental illness? Are you interested in engaging in meaningful activities with your children? Participate in our research study!

We are looking for participants who

1. are adult parents above the age of 18
2. have a diagnosis of a schizophrenia-spectrum disorder, bipolar disorder, or depression; and
3. have a desire to engage in more meaningful activities with your child, regardless of child's age.
