

## 2024 NAMI National Elections

### Voting Instructions

This year NAMI is using the ElectionBuddy platform to run all four elections.

Voting for the Executive Directors' Council (EDC) Executive Committee and the State Presidents' Council Executive Committee ends on May 9, 2024.

Voting for the NAMI National Board of Directors and bylaws amendment as well as the EDC-elected Board seat ends on June 4, 2024.

1. Organization Presidents, Executive Directors, and/or Affiliate Leaders will receive a Voting Packet on Friday, May 3, 2024 with a Survey Monkey link to credential their NAMI organization's voting delegate. Each State Organization and Affiliate is allowed one voting delegate to vote on behalf of the organization. **To ensure timely access to the voting platform, please credential your voting delegate before June 4<sup>th</sup> at noon MT.** Please ensure that the information is correct, including the email address for your voting delegate. We HIGHLY recommend not using a general email address that more than one person can access. We have limited ability to change the voting delegate and their email after the vote has started.
2. NAMI National Staff will review the voting delegate information collected through the credentialing survey and confirm any outstanding details.
3. NAMI National Staff will add the voting delegate information to the voting platform upon receipt and approval of the survey information.
4. The voting platform (ElectionBuddy) will send the voting delegate an email with the information required to cast the ballot for their NAMI organization.

**The ballot email will be sent from "2024 NAMI National Elections" [invitations@mail.electionbuddy.com](mailto:invitations@mail.electionbuddy.com)**

**With the subject line "2024 NAMI General Election" (General Election)**

5. The email will identify the NAMI organization by name and the voting delegate. If either of these is incorrect, email [voting@nami.org](mailto:voting@nami.org)
6. The bottom of the email will display a secure link to your ballot with a unique 16-digit alphanumeric code. You may click on this link or follow the instructions to go to the website and enter your ballot access code. **Do not share the email, link, or code. Each access code can only be used once.**

8. The first question on the ballot will be for the selection of five candidates for the NAMI National Board of Directors. You must select exactly five candidates, or the system will not allow you to submit your ballot. Review each candidate's profile by clicking the orange "Information" link directly under their names.
