Why Vote?

Every vote counts! National elections have shown how important every vote can be. With five open seats elected by the members each year but more than five candidates, the final tally can be very close – don't let those decisions be made without you!

Ideas for Deciding How to Vote

- **Talk with your affiliate and state members:** Convene your members however works best for your organization to discuss the issues that are important to you and consider the candidates. Make your decision based on the group's consensus.
- **Polling or voting:** Every NAMI member has access to the candidate information at www.nami.org/2024candidates. Ask your members to review the candidate profiles and choose their preferred candidate. They can vote formally or informally, via e-mail, by phone message, or in a meeting, whatever works for you and your community.
- **Collect questions and input:** Ask your members to let you know what matters to them most and what questions they would like posed to the candidates. Review those questions against the information shared in the candidate profiles to inform decision-making.

What You Need to Do Now

- 1) **Read the materials online in their entirety.** You can find general information about NAMI elections at www.nami.org/voting and information specific to this year's elections at www.nami.org/2024elections. The 2024 NAMI Elections page includes links to information about the [candidates](#), the proposed [bylaws amendment](#), and all necessary voting documents and instructions.
- 2) **Decide who will be casting the online ballot for your organization.** Generally, the Board President, Model B Steering Committee Chair, or Executive Director casts the ballot for an affiliate or state organization. The leadership can instead grant that right to another individual by naming a delegate to cast the vote.
- 3) **Complete the credentialing process.** Fill out the Credential Form to tell NAMI who has been named the delegate to cast the ballot for your affiliate or state organization. Once confirmed, the delegate will then receive instructions so they can complete the voting process. The form can be found at <https://www.surveymonkey.com/r/2024-NAMI-Credential-Form>.
