NAMI On Campus

Webinar

December 7, 2023

Agenda

- Program Overview
- NAMI Net
- NOC Club Representatives
- Q&A

NAMI On Campus

NAMI on Campus (NOC) clubs work to end the stigma that makes it hard for students to talk about mental health and get the help they need. Clubs hold creative meetings, hold innovative awareness events, and offer signature NAMI programs through partnerships with NAMI State Organizations and NAMI Affiliates.

NOC clubs are student-led, student-run mental health organizations on high school and college campuses. NAMI on Campus clubs:

- Raise mental health awareness with fairs, walks and candlelit vigils.
- Educate the campus with presentations, guest speakers and student panels.
- Advocate for improved mental health services and policies on campus.
- Support peers with signature NAMI programs and training from NAMI State Organizations and Affiliates.

How to Start a Club

Step 1: Connect with the local NAMI State Organization (NSO) and/or local NAMI Affiliate (NA) to start establishing a relationship and learn more about the NAMI On Campus program.

Step 2: Complete all requirements to establish a club at the school. Talk with the school's administration about what steps the interested students have to take as different schools have different requirements.

Step 3: Secure a faculty advisor who is committed to attending club meetings and events. This school staff member should share an interest in mental health education.

Step 4: Secure club leaders. At a minimum, your NOC club should contain a president, secretary, and a treasurer to help support club meetings and other club related efforts (i.e. events, funding, club materials).

Step 5: Contact the NSO to complete the NOC Contact form to register your club as an official club.

Accessing Resources

NAMI Net Access

- Anyone with a NAMI.org account can access NAMI On Campus resources in NAMI Net

Resources

- Getting Started
- Sample Constitutions and Bylaws
- Logo and Promotional Materials

Welcome to the NAMI On Campus resource page!

If you've reached this page, then you have gone through the proper steps to get your NAMI On Campus Club approved by your college or high school and have been working with your NAMI State Organization (NSO) and/or NAMI Affiliate (NA).

*If not, please STOP and go back to our general [NAMI On Campus page](#) to find out how to start the process of becoming an official NAMI On Campus Club.

If you're an official NAMI On Campus Club – CONGRATULATIONS!

These resources will help you run and maintain a successful NAMI On Campus that meets the needs of YOUR school.

If at any time your club, with support from your local NAMI, needs resources that aren't on these pages, please contact namioncampus@nami.org with your requests.

Welcome NAMI on Campus **High School** leaders!

We're so happy to have you join our growing movement. In this section you'll find exclusive resources for leading a NAMI on Campus club.

New To NAMI On Campus?

If you are a new club, we suggest checking out our [Getting Started](#) section where you can find all the materials you need to help organize your club and establish what systems work best for your club. This section is also great for new club leaders looking to get more information about how to support their existing club.

Needing Tips For Activities And Events?

Activities and events are some of the most important responsibilities of clubs. This is where your club can reach out to the community in a safe environment that is both fun and educational for participants. These events can also bring in new club members!

Clubs can seek inspiration from the [Activities and Event Ideas](#) section and by following other clubs on social media and share ideas.

Promoting Your NAMI On Campus Club

We have developed many promotional materials for your club. Think about creating a social media account for your club so that you can alert your peers about club events. Check out the [Logo and Promotional Materials](#) section for more information and materials.
